SLIDING FEE DISCOUNT PROGRAM INFORMATION

WHY SHOULD I SIGN UP FOR THE PROGRAM?

Neighborhood Health Center (NHC) offers discounted services to patients living at or below 200% of the most current Federal Poverty Guidelines (FPG). Eligibility to participate in the program is based only on the patient's income and family size, as it relates to FPGs. All patients are encouraged to apply, including patients with insurance. Discounts apply to all NHC services provided directly at NHC clinics and those offered in referral. Discounts vary depending on the patient's assigned discount pay class (see Discount Classes A-D in the Monthly Income table below) and the service being used by the patient at the time of appointment (i.e. medical, dental, or behavioral health). Please take a moment to review this information sheet prior to filling out your application. If you have questions, please ask an NHC staff member for assistance.

WHO SHOULD I INCLUDE IN MY FAMILY SIZE?

NHC defines a family as a group of two or more people related by birth, marriage, or adoption who live together in the same home. All such people – including extended family members (for example, aunts, uncles, cousins, grandchildren, grandparents, etc.) – are counted as members of the same family.

Do **NOT** include:

- Roommates who are not part of your family
- Romantic partners you are not married to and/or their children
- Family members who do not live with you

Still not sure who to include? Ask us!

WHAT IS ACCEPTABLE PROOF OF INCOME?

For each member of your family earning income, attach at least one of the following documents to your application:

- ✓ Two (2) most recent pay stubs
- ✓ Check stubs from Unemployment Insurance
- ✓ Previous year W-2
- ✓ Previous year completed tax return
- ✓ Government-issued documentation for other non-wage income such as Social Security, Worker's Comp, Cash Assistance, Child Support, Alimony, Veteran's Benefits, Retirement, or Pension
- ✓ Previous three (3) months of bank statements
- ✓ Letter from employer
- ✓ If self-employed: prior year tax return or most recent three (3) months of bank statements

WHAT DISCOUNT WILL I RECEIVE?

Below is a table displaying the 2021 Federal Poverty Guidelines (FPG). Only patients reporting a family income at or below 200% of FPG will qualify. Columns A through D are eligible for discounted services. Column E (above 200% FPG) must pay in full for charges and will not receive a discount. If you fall within Column E, you are not eligible to participate in the program.
